AMENDMENT #4

Question #1

In Addendum #3, your response to Question #1 was to use the Total Bare Cost column from the Means Book. Where will subcontractor overhead and profit be calculated?

Answer #1

The Means Column to use is the Bare Costs column. All overhead and profit for Subcontractors or General Contractors to be considered when establishing pricing factors and coefficients.

Question #2

Is there a guaranteed amount for total dollars per year? Can we consider \$40M/year as that guaranteed amount? Can we assume that \$100,000 is the minimum price for each task order?

Answer #2

No, \$40 Million per year is not a guaranteed amount. No, you can't assume that \$100,000 is the minimum price for each task order.

NOTE:

Contractors hand-delivering the proposals to the NIH campus should allow sufficient time in order to avoid missing the submission deadline. Due to recent terrorist actions, NIH is on a heightened state of alert. Visitors arriving on campus will be allowed to use the South Drive/Rockville Pike and Center Drive/Old Georgetown Road entrances only. Security Officers will request to see a picture ID/driver's license, inspect vehicle and, ask for an NIH point of contact. If the Security Officer approves the Contractors entrance to the campus, a Visitor's pass will be issued. At that time the Contractor may proceed to any number of visitor (metered) parking lots on the campus. The Contractor will not have direct access to Building 13, but must first telephone either Annette Viola at (301) 594-0841 or Barbara Taylor at (301) 496-8080 where they will be met at the NW entrance (loading dock side) of Building 13. The metro line is Medical Center Stop (Red Line). ** The security check can be lengthy process; Offerors are encouraged to allow enough time to meet the deadline of 2:00 P.M. EST.
